Guidelines

Homework Policy

Homework will only be assigned if/when:

- Students are not able to complete their assignments during class.
- Students are absent.

Incomplete Work

- Following the deadline of any assignment, the student's mark will be recorded as a zero. Upon completion of the assignment, it will be graded and recorded. At reporting periods, a final deadline will be given for the evaluations to take effect on the report card for that reporting period.

Extra Help

- If students need extra help, your teachers are available at lunch hour. Appointments can also be made for the morning or afterschool.

Plagiarism

"Students must understand that the tests/exams they complete and the assignments they submit as evidence of learning must be their own work and that cheating and plagiarism will not be tolerated..." (*Provincial Assessment Policy, K-12*)

"Academic dishonesty could result in one or all of the following: contacting the parents, documentation of the incident in the student's file, report this behavior on the report card, enforce loss of privileges for the student, disciplinary measures, redo the work and deduct marks for academic dishonesty.... If a student is found to be engaging in academic dishonesty, the principal will follow the school and division policy which may result in further consequences as deemed appropriate by the principal." (*TRSD Instructional policy manual*)
