## McCreary School Class of 2025

**Congratulations to the  
Graduating Class of 2025!**

## BEST WISHES!!

**Farewell, Best Wishes, and Welcome!!**

McCreary School would like to extend best wishes to Mrs. Lockhart who will be leaving McCreary School. For the upcoming school year, we would like to welcome Miss Dunning who will be teaching High School Math/Science/Various Courses.

# McCreary School

## Community Report 2024-2025

McCreary School is a K-12 institution with an enrolment of 155 students. This year, our team included 15.5 professional staff, 6 educational assistants, a school secretary, a librarian, two custodians, and four bus drivers.

While McCreary School is recognized for its strong athletic programs, we are equally proud of our robust academic offerings and the high success rate of our graduating students.

At the high school level, we offer a diverse selection of academic and elective courses, such as Human Ecology, Industrial Arts, Electrical Construction, Power Mechanics, Guitar, Jazz Band, Hockey, and various Technology-based classes. For a school of our size, we are pleased

to provide students with a wide range of learning opportunities.

In addition to academics, McCreary School supports a vibrant extracurricular program that includes numerous individual and team sports, Student Council, and a Social Justice Club.

Our classrooms are equipped with up-to-date technology to enhance student learning. Each high school student receives a laptop

in Grade 9 to use throughout their high school years—and students who remain with us through graduation are given the opportunity to keep their device.

McCreary School is committed to providing a safe, inclusive, and welcoming environment. We focus on meaningful learning that supports student growth.

Our school goals—aligned with divisional priorities—emphasize literacy, numeracy, and the well-being of students and staff.

## McCreary School Priorities

Literacy	Numeracy	Mental Health & Wellness
<ul style="list-style-type: none"><li>Precision Reading</li><li>Early Literacy Intervention</li><li>Guided Reading</li><li>Home Reading Program</li><li>Reading Comprehension Programming</li><li>Language Based Programming</li></ul>	<ul style="list-style-type: none"><li>mRLC Project</li><li>Grade 9 Math ALL-YEAR</li><li>Interactive Lessons</li><li>Mathletics, Sum Dog, Prodigy, IXL, and Reflex Math</li><li>Differentiated Instruction</li><li>Mental Math Games</li></ul>	<ul style="list-style-type: none"><li>Day of Pink (Inclusion)</li><li>GRIT/Our School Survey/Assemblies</li><li>Sports, Clubs, Presentations and Field Trips</li><li>Student Council activities (Spirit Days, Dances, Canteen, Student Lounge, &amp; Game Night)</li></ul>

# School Activity Highlights

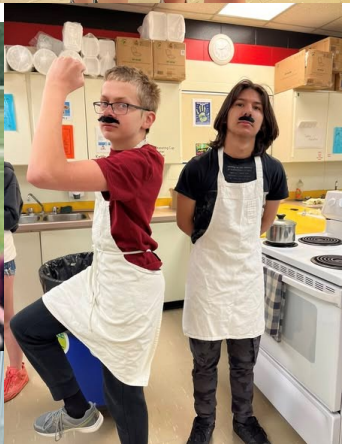

- ♦ Meet the Staff BBQ
- ♦ Safety CSAM Presentation
- ♦ Sports Programs
- ♦ Breakfast Program
- ♦ Lunch Program
- ♦ School Canteen
- ♦ School Dances
- ♦ Video Game Nights
- ♦ Day of Pink
- ♦ Spirit Weeks
- ♦ Spring Concert
- ♦ Mr. Nadeau Days
- ♦ K-8 Activity Day -BBQ & Swim
- ♦ Year End Field Trips
- ♦ Sporting Events
- ♦ Awards Day
- ♦ Graduation
- ♦ School Assemblies
- ♦ KHIC
- ♦ TOKTW
- ♦ Brandon Career Fair
- ♦ Guest Speakers/ Presenters
- ♦ Cookie Monster Special Visit
- ♦ Ski-doo Safety
- ♦ Alan Richard Workshop— Comic Cards
- ♦ Turtle Derby
- ♦ First Aid/CPR
- ♦ Ski Trip
- ♦ Student Council
- ♦ Student Lounge
- ♦ Terry Fox Walk
- ♦ Special Presentations
- ♦ Jason Parenteau Presentations (Indigenous Education)
- ♦ Halloween Activities
- ♦ Christmas Concert
- ♦ Christmas Dinner
- ♦ Community Clean-Up
- ♦ Many Fundraisers
- ♦ RCMP Visits
- ♦ Reading Month
- ♦ Cross-Country Skiing
- ♦ Snow-Shoeing
- ♦ Science Fair
- ♦ High School Orientation
- ♦ Kindergarten Orientation
- ♦ 100's Day
- ♦ Hockey
- ♦ Vocational Programs
- ♦ Social Justice Club
- ♦ Christmas Food Drive
- ♦ Green Shirt Day
- ♦ Orange Shirt Day
- ♦ Paper Airplane Competition
- ♦ Pizza Day

# Sports Highlights—Kids got GRIT!

McCreary School ran a full slate of sports which seen our students excel this year in most sports showing how McCreary School is one of the top competitors. We are fortunate to have many talented athletes and coaches that are dedicated to putting in the time to practice and develop their skills. Many of our teams and individual athletes had great success at multiple levels of competition. The highlights below don't begin to encompass the hard work of all our Maverick athletes!

**Golf, Soccer, Badminton, Basketball, Baseball, Volleyball, Cross Country, Track & Field**

Student Council Highlights

Grades 5 to 12 Student Council were able to plan Spirit Days, Two School Dances, a Video Game Night, and some Activity Days. Student Council ran a School Canteen all year providing students with access to snacks. The Canteen doesn't make a great amount of money, but it provides a service to the student body and families, providing access to food and snacks for purchase at just a little over cost. This is a value alone to everyone and is why we run it and volunteer to make school better. The funding raised from the canteen goes to pay for the couches, Air Hockey table, Ping Pong table, and television we purchased for the student lounge. This was the first full year where Grade 7-12 students could fully utilize and enjoy their Student Lounge and it was well used by all students. Hot Chocolate Days were also a big hit during the winter months. The canteen profits also go towards covering the costs for the events we run and provide juice, hot chocolate, and popcorn for all students. There is no cost for students to participate in any of these events. Lots of the money fundraised also went towards sports equipment for use during recess, and in the gym and weight room.

Social Justice Highlights

This year, McCreary School's Social Justice Club, Operation Difference Makers, has been actively working to make a positive impact in our community. Their initiatives included supporting local fundraisers, hosting meetings and events to promote a positive school culture, organizing a school-wide Empowerment Day of Pink, and collecting food donations for community hampers.

Provincial Assessments

Grade 3 Provincial Results -FALL 2024

- McCreary School-2025
- Numeracy:** Students meeting outcomes in each of the areas included:
- patterning—33%
  - meaning of equal symbol—33%
  - whole numbers —78%
  - mental math strategies—44%
- Reading:** Students meeting outcomes in each of the 3 areas included:
- Reflects and sets goals 67%
  - Uses strategies to make meaning of text—67%
  - Demonstrates comprehension—67%

Overall, in the Early Years, we need to focus on student understanding on what they are doing in math. Students need to learn new strategies in order to improve Number Sense. Students being more involved in their reading growth is also an important area to work on as they focus on the understanding of what they are reading (comprehension).

In the Middle Years, Grade 8 students continue to do well in reading and writing, but we are seeing a slight decline, reinforcing that we need to continue practicing on The Writing Process and especially the revising their work. In Grade 7, Mathematics seen excellent results with students having a strong foundation and requiring attention in the Number Pattern areas moving forward. We need to focus more on number sense and continue to work on problem solving.

Gr. 12 Provincial Assessment Results—January 2024

- ◇ The class sizes are too small to report
- ◇ We have an above average provincial and divisional pass rate and mark rate

Middle Years Provincial Results—SPRING 2025

- McCreary School-2025
- Grade 7 Provincial Results—Number Sense and Number Skills**
- Numeracy:** Students meeting Mid-Grade 7 outcomes in each of the areas included:
- Ordering fractions—93%
  - Ordering decimals—93%
  - Representing numbers in different ways—86%
  - Solving problems with number patterns—57%
  - Mental math—79%
- Grade 8 Provincial Results—Reading & Writing**
- Reading:** Students meeting Mid-Grade 8 outcomes in each of the areas included:
- Understands key ideas in texts—80%
  - Interprets a variety of texts-70%
  - Responds critically to a variety of texts- 60%
- Writing:** Students meeting Mid-Grade 8 outcomes in each of the areas included:
- Organizes and generates ideas for understanding— 60%
  - Selecting language to impact the reader— 60%
  - Uses of writing conventions and resources to edit and proofread— 60%

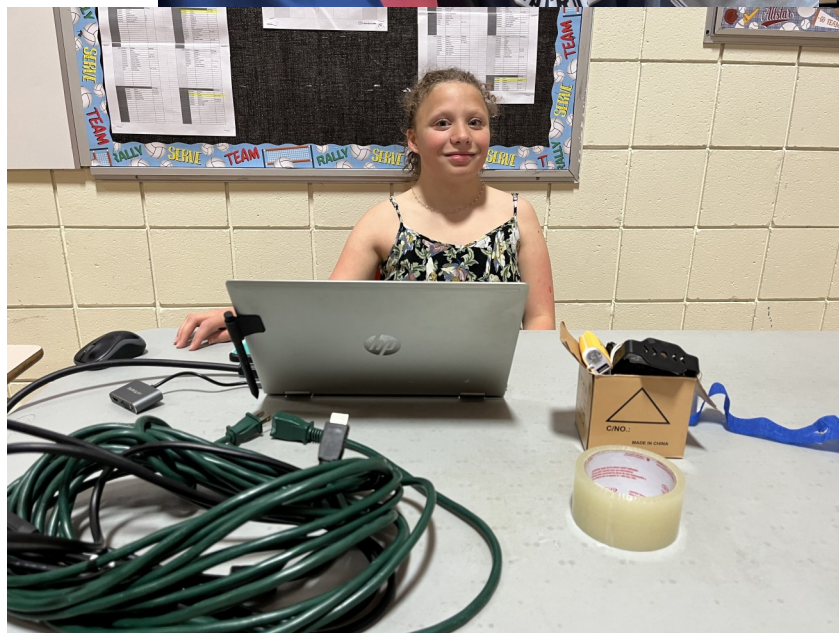

What a Fantastic Year!

We had fun learning!

Memories of a  
"Fabulous Year!"

Growing up and  
Having Fun!
